So, Jeremy Corbyn has been re-elected as leader of the Labour Party in the UK.

For those wearing their thinking caps, this should send a shudder down your spine.

He won by a huge margin. This tells us that if Labour got back into power, the country would willingly accept Marxist ideology, bring us to the brink of being attacked by enemies, and reduce society to a brainless communist pool of social engineering.

Marxists hate Christians even more than Blair and Cameron did. God help us.

The Christian Institute [\(22 September 2016\)](#) reports that in Jeremy Corbyn' recent manifesto on equality and diversity stated that 'LGBT+ rights must be taught in schools'
