

“Britain in Sin”:- a catalogue of sinful legislation by politicians

Written by J. B. Waddell

Tuesday, 15 February 2011 09:30

The insidious erosion of British legislation to enable sin to prosper in the name of freedom and ‘civilised society’ is catalogued here [“Britain in Sin”, published by Christian Voice](#) . Now you know why we have such major problems in UK society and politicians are clueless to fix them.
