Consequences - Original Song

Story behind song:

Throughout life we have different life experiences which can bring good or bad consequences. As Christian parents try to bring up their kids the right way with God in mind, kids can experiment and try new things throughout their adolescence without thinking about the consequences, even though the parents have already stated the bad outcomes if they do something which is sinful or wrong.

However, we are all sinners and as long as we repent and turn to God fully and truly, he will forgive us and cleanse us of our sins. This song resembles the period when someone turns to God and leaves sin behind.

The main point is; if we sin, we will reap the consequences, but God will forgive us if we repent and turn to him fully and as a result of focusing on Him, He will show his love to you and in turn you will be making an effort to make wise choices to glorify the Lord, keep his commandments and in doing so, not experience bad consequences.

Romans 14:8 (AKJV)

8 For whether we live, we live unto the Lord; and whether we die, we die unto the Lord: whether we live therefore, or die, we are the Lord's.

1 John 2:3-6 (AKJV)

3 And hereby we do know that we know him, if we keep his commandments. 4 He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him. 5 But whoso keepeth his word, in him verily is the love of God perfected: hereby know we that we are in him. 6 He that saith he abideth in him ought himself also so 'to walk, even as he walked.
